

River of Doubt: The Uncertain Colorado in a Changing Climate

This map captures the literature review done as part of this paper. It helps to identify research gaps and areas where knowledge is based on minimal research. All the references are included in the article http://www.kerwa.ucr.ac.cr/bitstream/handle/10669/15064/2014_3.pdf?sequence=1&isAllowed=y.
